

Product Review: Patent Pending Biz Opp – Bryan Winters’ Diddly Pay

Introduction

In this review, we will discuss the patent pending Biz Opp called Diddly Pay, created by Bryan Winters. We will explore what this product is, how it works, its trustworthiness, pricing, customer satisfaction, and provide a final verdict and recommendations.

What is Diddly Pay?

Diddly Pay is a cloud-based software app that allows users to generate free traffic, leads, commissions, and sales. It is a social-viral "payment button" that can be added to any product page. The button enables users to offer their products for free in exchange for referring others through the Diddly Pay system. This creates a viral income machine and helps build an email list and unlimited income.

How Does Diddly Pay Work?

Diddly Pay works by generating and pasting a Diddly Pay button on any product page. After sending some initial traffic to the page, the button goes to work by giving visitors the option to "pay" for the product by referring others through the Diddly Pay system. This generates free traffic, leads, and sales for the user, creating an autopilot income stream. The system also includes a built-in free traffic source called the Diddly Pay Marketplace.

Does Diddly Pay Really Work?

Based on the video case study provided on the Diddly Pay website, it is clear that the system can generate free subscribers and income. The video shows the creator generating 148 free subscribers and \$330 in just one day using the Diddly Pay button. The system is designed to work in any online niche and can be used by both product owners and affiliate marketers.

Trustworthiness

Is Diddly Pay a Scam?

Based on the information provided, there is no evidence to suggest that Diddly Pay is a scam. The system has been tested and proven to work, and the creator, Bryan Winters, has a track record of creating successful online income systems.

Is Diddly Pay Legit?

Yes, Diddly Pay is a legitimate product. It is a patent pending software app that has been rigorously tested and proven to generate free traffic, leads, and income. The system includes a DFY web funnel and product, making it easy for users to get started.

Pricing

The initial cost to try Diddly Pay is \$3 for a 5-day trial period. After the trial, continued access is \$20 per month. There is a 60-day money back guarantee, allowing users to cancel at any time during or after the trial and receive a refund.

Customer Satisfaction

Customer satisfaction with Diddly Pay seems to be positive based on the testimonials provided on the website. Users have reported generating leads and sales on autopilot and have praised the system for its simplicity and effectiveness.

Conclusion

Pros of Diddly Pay:

- Easy to set up and use
- Generates free traffic, leads, and income
- Works in any online niche
- Includes a DFY web funnel and product
- Allows users to keep 100% of profits

Cons of Diddly Pay:

- Requires initial traffic to get started
- Monthly cost after the trial period

In conclusion, Diddly Pay is a legitimate and effective system for generating free traffic, leads, and income. It is suitable for both product owners and affiliate marketers and has received positive customer feedback. However, users should be aware of the ongoing monthly cost after the trial period.
