

Product Review: Magic Submitter by Alexandr Krulik

Introduction

Magic Submitter is a powerful software developed by Alexandr Krulik that aims to help online marketers dominate their market by automating the process of submitting articles, videos, blogs, and press releases to over 500 sites, generating thousands of backlinks in the process.

What is Magic Submitter?

Magic Submitter is a comprehensive software that allows users to automate their marketing efforts by submitting content to various platforms such as articles, videos, blogs, and press releases. It claims to have over 2000 sites in its database where it can submit your content automatically. Additionally, it offers features such as account creation, content spinning, captcha verification, link organization, and more.

How does Magic Submitter Work?

Magic Submitter works by automating the submission process to various content and social media sites. Users can create accounts, verify them, spin their content to ensure uniqueness, and submit it to multiple sites with just a few clicks. The software also takes care of solving captcha verifications, capturing and organizing links, and scheduling marketing campaigns.

Does Magic Submitter Really Work?

According to testimonials from users, Magic Submitter has helped them achieve success in their marketing efforts. Many users have reported that the software has saved them time and delivered results that other tools have failed to accomplish. However, it's important to note that the effectiveness of the software may vary depending on the user's niche and marketing strategies.

Trustworthiness

Is Magic Submitter a Scam?

Based on user testimonials and the reputation of Alexandr Krulik, Magic Submitter does

not appear to be a scam. The software has been used by thousands of marketers and has received positive reviews for its features and effectiveness.

Is Magic Submitter Legit?

Magic Submitter is a legitimate software that aims to assist marketers in automating their marketing efforts. It provides a range of features and claims to have a large database of sites for content submission. However, individual results may vary, and it's important for users to assess their own marketing strategies and goals.

Pricing

Magic Submitter offers different pricing options for users. While an entire software suite can cost over \$299 a month, Magic Submitter offers a trial period for only \$4.95 for the first month and \$67 per month thereafter. This pricing includes access to the software, interactive forums, customer support, software updates, live coaching calls, and a video training vault.

Customer Satisfaction

Based on user testimonials, Magic Submitter has received positive feedback for its ability to generate backlinks and save users time. Many users have reported success in getting their websites ranked and receiving increased traffic. The software also provides training materials and support to help users navigate and maximize its features.

Conclusion

Overall, Magic Submitter offers a comprehensive solution for automating marketing efforts and generating backlinks. It has received positive feedback from users and provides a range of features to assist marketers in their online campaigns. However, individual results may vary, and it's important for users to assess their own marketing strategies and goals before investing in the software.

Pros and Cons of Magic Submitter

Pros:

- Automates content submission to over 2000 sites
- Provides features such as content spinning and link organization
- Offers training materials and support

- Positive user testimonials

Cons:

- Effectiveness may vary depending on the user's niche and strategies
- Monthly subscription fee

Final Verdict:

Magic Submitter can be a valuable tool for marketers looking to automate their content submission and generate backlinks. It offers a range of features and has received positive feedback from users. However, it's important to assess individual marketing strategies and goals before investing in the software.
